REACH - Declaration of Conformity

Meerstetter Engineering GmbH is a supplier for electronic products. According to the definition of REACH, we are a „downstream user“.

Our products are not needed to be registered in terms of REACH.
Consequently, all substances which are liable to registration duties need to be registered through earlier suppliers.

Please note that our products do not release SVHC substances during use.
Currently, our products do not contain any of the SVHC substances in excess of the regulation.

Meerstetter Engineering GmbH hereby declares that our products are manufactured in compliance with the following regulations:

- Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)
- Regulation (EU) 2019/1021 of the European Parliament and of the Council of 20 June 2019 on persistent organic pollutants (POA)
- Update candidate list of 240 entities (23 Jan 2024)
